A&D Medical

ESSENTIAL

WIRELESS
UPPER ARM BLOOD PRESSURE MONITOR
UA-651BLE

CLINICALLY VALIDATED

KEY FEATURES:

- Wireless
- One button operation
- Irregular Heartbeat Detection
- Unlimited memory on app
- 5 year warranty

Simple and accurate blood pressure measurement at the touch of a button including a seamless Bluetooth® connection to the highly rated Heart Track app.

Trusted Accuracy
- Clinically validated[1] for accuracy
- Irregular Heartbeat (IHB) alerts the user to irregular heartbeat patterns

User Friendly
- Easy, one button operation for quick and accurate measurement
- Send your measurements wirelessly via Bluetooth to your supported phone/tablet
- Free companion A&D Heart Track app automatically stores readings, tracks progress with simple graphs and allows you to share results with others
- Data integration with Google Fit and Apple Health Kit
- Unlimited reading memory in the Heart Track app
- Easy to apply wide range cuff that comfortably fits most arms (8.6-16.5” / 22-42 cm)
- Compatible with small to large cuffs (not included)

The A&D Promise
- Professional grade performance you can trust
- 5 year warranty on monitor, 2 year warranty on cuff
- Cuffs are not made with natural rubber latex
