THE 2400KL

DIGITAL PORTABLE WHEELCHAIR SCALE

The all-digital 2400KL supports up to 800 pounds and provides the optimum in quality, reliability, and ease of use. The scale folds easily for convenient storage and comes equipped with a handle, wheels, and casters, making it easy to transport and reduces strain on caregivers. The remote display provides versatility with the ability to be mounted on a wall or placed on a table. Designed to meet the needs of hospitals, clinics, and acute and long-term care facilities, the scale's keypad features antimicrobial protection, two ramps to roll the patient on and off the scale, and adjustable rails to accommodate wide wheelchairs.

The scale's high-contrast color screen provides a user friendly interface that includes BMI, hold/release, reweigh, recall, zero, KG/LB, tare, pre-tare and more. The exclusive Everlock® function allows the measuring unit (LB or KG) to be permanently locked on the scale. The scale provides easy integration and seamless communication with today's EMR applications, the 2400KL includes a USB interface for connectivity with a computer, EMR software, or other electronic devices via various Health o meter® Professional Connectivity Solutions.

THERE'S STRENGTH IN OUR NUMBERS.

When you add up the numbers, it's not surprising that the Health o meter® Professional Scales is the industry-leading name in medical scales.
